## INDIANA DEPARTMENT OF TRANSPORTATION

## **CONSULTANT PREQUALIFICATION PACKAGE PART 3 - TECHNICAL INFORMATION**

## LIST OF QUALIFYING PERSONNEL

For each of the Department's standard work types for which prequalification is requested, list personnel meeting the Department's published requirements. Please group all prequalifying personnel for each category together, and list <b>ONLY minimum number required per the</b> instruction manual. Personnel used for qualification in multiple work types must be listed in each such work type. Attach Exhibit "N" in order				
by work type.  a. Work Type Code (See list from Section 2)	b. Name	c. Office No.	d. Reg. Type	e. Reg. No. *
(See list from Section 2)				

This section may be repeated as needed to allow entry of all types of work being requested and the qualifying personnel associated with those types of work.

\* Enter applicable Indiana Professional Licensing Board Registration number or other applicable certification number as required.
